

I'm THRIFTY SAM—a thrift store and missionary clothes closet. I put all the profits from selling gently-used clothing, furniture, household wares, electronics and appliances towards ministry carried out by South America Mission, whose international offices are right next to the store. You can call the store at 803-802-8580, or email thriftysam@southamericamission.org to ask for hours of operations. Partnering with local churches to channel quality inventory donations to the store and to direct church-sent missionaries to come shop at Thrifty SAM at really affordable prices is high on the list of good things to accomplish.

THRIFTY SAM
